

HAVE YOU THOUGHT ABOUT BECOMING A TRAPPING INSTRUCTOR?

Our Trapper Education Instructors have led the way Creating a unique program recognized all over Canada

The Education Program is a vital part of the Alberta Trappers Association, producing responsible, ethical and knowledgeable trappers – They help you to understand why, where and how, trapping plays a key role in Alberta's future.

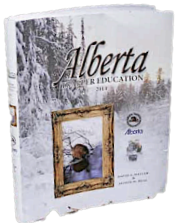

Instructors lead courses and workshops all over Alberta, combining classroom settings with outdoor field sites. We deliver the Trapper Education Curriculum on behalf of the Province of Alberta with a full 3-day program delivery - generally Friday, Saturday, and Sunday - and we are **looking for new instructors to join our team.**

All Trapper Education courses in Alberta are taught by certified Instructors, ***who receive support and all the necessary training to be a success.*** A flat rate per course as well as expense recovery and per diems for meals are paid to every instructor.

If you have a keen interest in education, we would love to hear from you. You have valuable skills and expertise that will benefit the trappers of tomorrow. This is a rewarding position that includes teaching a wide range of Albertan's the proficiency in fur handling, knowledge of government regulations, tools and current certified traps.

For full details please contact our Executive Director, Donna Moore:
